

## NOTICE OF PUBLIC HEARING

TO ALL INTERESTED PERSONS:

THE SANPETE COUNTY COMMISSIONERS will hold a public hearing to consider adoption of the Sanpete County Resource Management Plan, a supplement to the Sanpete County General Plan. The public hearing will be held on June 5, 2012 at 2:15 pm. in the commission room located in the Sanpete County Courthouse in Manti, Utah.

The Sanpete County Resource Management Plan was created to specifically address challenges that continually arise as a result of the large area of state and federal lands that lie within the County boundaries. The Plan identifies conflicts, addresses future goals and objectives, and makes recommendations for solutions to existing problems. It is proposed that this Plan be a template for all public land-related decisions, allowing the County to measure future public land management problems and challenges against the policies and goals set forth in this document.

The Sanpete County Resource Management Plan can be viewed in its entirety by going to the Building, Planning & Zoning Section on the County's website at [www.Sanpete.com](http://www.Sanpete.com), or by contacting Scott Olsen at the Sanpete County Zoning Office in Manti, Utah (835-2113).

DATED this 30<sup>th</sup> day of April, 2012.

*Sandy Neill*
